NUANCE

Thank you for your purchase

This Nuance Education product is strictly for academic purposes only, for use by valid students and staff of recognised educational institutions. This box does not contain a serial number. The software cannot be installed immediately.

Please follow these steps to obtain the serial number which will enable you to install the product:

1. Go to: **www.identit-e.com/nuance**

2. Complete the online form, confirming your details and your proof of academic status.

You will be required to submit one or more of the following:

1. A valid email address that is associated with your accredited education institution.

2. A valid, current student / teacher photo ID card that includes name and date / registration card.

3. Letter or Correspondance* from academic institution confirming EDU status. Confirmation must be on letterhead paper and signed by a lecturer / teacher if you are a student** or by colleague (including contact details) if you are a lecturer / teacher.

   * Correspondance can be letter from school addressed to pupil at home address

   ** Students under 18 are required to complete No 3 as form of validation

Once you have submitted your online form and proof, your application will be processed. Providing the proof is sufficient, the serial number will be released to you via email within 24 hours.

If the form is incomplete or confirmation of academic status is not submitted, your form will be held and your serial number will not be emailed. You will receive an email within 24 hours informing you of this.
